

Scuba Diver

The PADI Scuba Diver course is a half course of the PADI Open Water Diver course. If you're short on time but really want to become a diver, the PADI Scuba Diver rating might be right for you .

PADI Scuba Divers are qualified to:

- Dive under the direct supervision of a PADI Professional to a maximum depth of 12 meters/40 feet.
- Continue dive training by completing the PADI Open Water Diver certification and taking certain specialty diver courses.

You can finish that course in 2 days

The cost for that course is 200 JOD + Manual and certification 70 JOD
