

## PADI Open Water Divers

Are qualified to:

- Dive with a buddy independent of supervision while applying the knowledge and skills they learn in this course, within the limits of their training and experience.
- Obtain air fills, scuba equipment and other services.
- Plan, conduct and log open water no stop (no decompression) dives When properly equipped and when accompanied by a buddy in conditions with which they have training and/or experience.
- Continue their dive training with a specialty dive (Adventure Dive), in the PADI Adventures in Diving program or in PADI Specialty courses.

It's 4 days course

If you will do everything of the course in the diving center

The cost is 300 JOD + Manual and certification 70 JOD

Or

It's much better to do the theory part of the course online so you can have some fun at night in Aqaba and that you don't need to study all of the night .And it's much better with the cost as well.

Still our Instructor will explain everything to you but just to watch the videos and finish the Exams before you come much better

You will pay to Padi online 118 English pound by credit card to do that theory part.

Than you will pay for the course only 210 JOD to us for the diving part.

Than when you finish everything you will pay only 35 JOD for your certification in the diving center.

You just need to register by clicking one of the pictures below.(you should use those for the best price)
